Publisher:

ACME

ACME Made-Up Name Inc.

Manufacturer:

Docuneering

Docuneering Ltd.
PO Box 4254
Melksham
England

TPSMG TOR 001

There are no known conditions that would change the data restrictions for, or security classification of, this publication.

To be made available to all Steamy Rollers customers.

Export of this publication to all countries that are the residence of organizations that are users of S1000D is permitted.

There are no dissemination limitations that apply to this publication.

Users may destroy this publication in accordance with any local procedures.

There are no dissemination limitations that apply to this publication.

Notice to the reader:

This publication includes highly sophisticated stuff. Read it with:

- reflection
- pride

Manufacturer's information:

Steamy Rollers is a well-reputed heavy vehicle manufacturer famous for its reliable steamrollers. However, if something goes wrong, don't blame us.

Any complaint shall be sent to:

- ACME Steamroller Distributors, Poste Restante, Somewhere City, Utopia
- Steamy Rollers, Off Road 66, Noway, Atlantis

Configuration

1 Product configuration

The product configuration shows current, associated, and historical product information for the end item part numbers contained in this publication. The products are listed by PN class, which are defined as follows:

- "PRIME" - The PRIME is the current OEM's top-level part number and MFR code covered by this publication.
- "ALT" - The ALT represents an alternative to the PRIME for the same part. For example, this could be an airframe manufacturer's part number.
- "PREV" - The PREV represents a legacy part number and MFR code to the PRIME for the same part number that may still be supported.
- "OBS" - The OBS represents a part number and MFR code that is no longer supported but is included in this publication for historical reference.

Refer to the "List of suppliers" for MFR information.

Table 1 Product configuration

PN class	PN	MFR	Component name	Model
PRIME	123-1111	ZZZZZ	Product Five	
ALT	Z555-ZZZZ-55	ZZZZZ	Product Five	
ALT	R555-RRRR-55	RRRR	Product Five	
PREV	A555-5555-55	AAAAA		Model Five

2 Publication configuration

The publication configuration shows active or superseded configuration information about this publication. The publications are listed by Pub class, which are defined as follows:

- "PRIME" - The PRIME represents the active publication.
- "PREV" - The PREV represents the legacy publication to the PRIME publication.

Refer to the "List of suppliers" for MFR information.

Table 2 Publication configuration

Pub class	SNS/ATA	MFR	Publication number	Issue/Rev
PRIME	23-10-10	55555	CMMST-ZZZZZ-00001-00	Current
PREV	23-00-10	ZZZZZ		018
